SURREAL ARTIST

The Dali Project

SALVADOR DALI
1904 - 1989

INTERNATIONAL CALL FOR INTERNS

3-6 MONTHS

We are looking for university interns to work on a truly unique global project. Ideally, you will have some of the following qualities:

Age: Gen Z
Languages: Catalan, Spanish and/or English
Subjects: Arts, Humanities, Media, AI, Psychology
Location: Hybrid working

Through AI, we are looking to bring alive Salvador Dali as a mentor, thought leader, and rebel. This is an audacious project.

Completion certifications will be issued by the world's leading Think Tank on the Movement of Value – the UK's Centre for Citizenship, Enterprise and Governance.
